

(Senior) Investment Analyst

Cologne, Germany

Omni Bridgeway is the global leader in financing, managing and investing in legal risks, with expertise in civil and common law systems, and operations spanning Asia, Australia, Canada, Europe, the Middle East, the UK and the US. Omni Bridgeway offers capital and project management services for clients from case inception through to post-judgment enforcement and recovery. Since 1986 it has established a record of success for clients around the world.

Omni Bridgeway is listed on the Australian Securities Exchange (ASX:OBL) and has the world's largest dispute finance team, with 160+ talented professionals working from 18 locations across 10 countries.

We are seeking an experienced and ambitious (Senior) Investment Analyst to join the Cologne, Germany team.

Function description

In addition to Omni Bridgeway providing access to justice, our shareholders and investors wish for a good return on their investment. This is where you play a key role. You will be working in (international) investment teams and bring in financial and economic know-how. Together with the team you determine if Omni should invest in the case and on which terms. However, your job does not end there, you will be involved in the case throughout its lifetime. Your job will have a large amount of variation as you play an important role in all cases handled by the German team. In addition you will work together with Management and Finance globally on case related reporting and ad-hoc analyses. Moreover, as the position is new and part of a fast-growing organization, there will be plenty of room for creativity in filling in the position and leaving your mark. You will have an important role in i.a.:

- Assessing the financial feasibility of new cases / investments
- Assist with success fee proposals
- Preparing the financials for the investment committee
- Reviewing and updating of investment budgets and financial case forecasts
- Quantum calculations
- Discussions with experts on damages
- Assessment of settlement offers
- Case related reporting
- Ad-hoc analyses

Your profile

- Excellent analytical skills
- Master's degree with good grades
- 4 - 10 years of professional experience in investment management, private equity, finance,

- mergers & acquisitions, strategy consulting, financial advisory or similar
- Likes a fast-paced environment
 - Team player
 - Structured with an eye for detail
 - Problem solver
 - Entrepreneurial spirit and self-starter
 - Legal affinity
 - Excellent excel skills, preferably with modelling experience
 - Well versed in English and German (Minimum Level B2/C1)

What we offer

- Competitive remuneration package
- Excellent bonus with potential stock option components (depending on experience)
- International environment
- Flat organization
- Exciting job with a lot of variation
- Great responsibility and freedom
- Option to work abroad at one of our other offices for half a year
- A nice office in the center of Cologne
- Yearly company trip and other fun events
